Sir,

I have the honor to state that the Chairman of the court of the Bench of Magistrates, Channapatna, reports that it is very essential that the Bench Court should be supplied with the issue of Mysore Gazettes (Canarese Copies) as they contain rules and regulations and other information necessary for the guidance of the Magistrates.

I therefore request that you will be so good as to kindly obtain sanction of Government for the supply of the canarese copies of the Mysore Gazettes to all the Bench Courts in the District, as noted in the margin.

1) Almost all the Courts are quasi except cases falling under the Municipal Regulation, Village Panchayet and Labour Regulations and under Cattle Trespass Act besides certain minor offences under the I.P.C. Hence it does not seem necessary that mysore gazettes should be supplied. At 5 Bench Courts have to be supplied. The advantages are not in proportion with the cost of the copies supplied. Lib. for orders. Mr. H. Secretary consulted

2) May perhaps be sanctioned - even if all Bench Courts apply, the number will never be 100.

(6) As it is reported that there are 58 Bench courts, 58 extra copies of the gazette have to be printed in case it is decided to supply each court with a gazette. The cost of printing these 58 copies including cost of paper will be about Rs 10/- a week or Rs 500 a year BP as there is no charge for composing. As this is a small amount, a copy of the Kan Gazette may be ordered to be supplied to each of the Bench courts.
